Breslau

25X1

1. Location. The military depot is located south of Oder, directly east-west, by the railroad line to Posen. South of this the Posen-Breslau railroad line is crossed by the Breslau-Liegnitz line.
2. Billeted Troops. The guard unit at this depot consists of a Polish unit.

The depot is surrounded by a 2.5 m high stone wall. In every corner there is an 8 m high observation tower, each occupied by one soldier. At night the depot is lit up by search-lights. All window panes in these buildings are painted blue. Truck and automobile drove in.

25X1

25X1

3. Size. Each of the 8 buildings consists of one floor and is about 50 x 15 m. The depot is located between ruins. The buildings look new. this depot only has been there for a short time.

25X1

4. Vehicle Traffic. Russian radiocars with antennas:

1. The Barracks in Messeritz

25X1

a. Billeted Troops

There are only Polish troops in the barracks. [redacted]

[redacted] the barracks are full at the present time. [redacted] there are 1200-1500 non-commissioned officers and privates and about 250 officers in this caserne. Apart from heavy and light machine guns, no heavy arms [redacted]

25X1

25X1

b. Activities

Machine gun and rifle shooting takes place daily at the shooting range across from Bismarkturn. While the shooting range is being used, there is exercising and training over on the training field. Small wooden houses, figures, and circle targets have been erected at the training field. Along a ditch there is a track with rollers on which figure targets are mounted; these are pulled back and forth during the training. [redacted]

25X1

2. Johanneshof Radar Station

The radar station is still in work. [redacted]
